Heating Panel

MULTI-USE HEATING PANEL

CREATE YOUR PERSONAL SPACE

Multi-use

3 heat intensity levels

Light

Practical and easy to store

Large size 100 x 51 cm

A compact and portable heating panel

When it comes to the cold, we are all looking for instant warm relief.

A solution? The Heating Panel. When you are cold, all you need is this compact heating panel, which folds into three. It easily slips into the corner of a piece of furniture, under a sofa or coffee table for instant use.

Adapted to your needs

Use the Heating Panel in your own way, adapting both the temperature and the areas of the body it targets. Choose between three intensity levels (40, 50 or 60°C) based on your heating needs.

Multi-use

Wrap your legs in an enveloping warmth, or put it behind you on your sofa.

The result? An embracing feeling of heat for guaranteed comfort.

Quality fabric and stitching

The Heating Panel is made from comfortable fabric, finished to a high standard, right down to the seams. It will not look out of place in any interior, making it easy to store and take out.

The panel also has practical, discreet handles.

Take it with you everywhere!

The heating panel can be put wherever you like thanks to its removable support feet. It's light, so it can be taken anywhere for comforting warmth wherever you are.
