## Thalassotherapy in the comfort of your home

Treat yourself to a moment of wellness thanks to Heat & Fold Spa, a hydromassage device that comes with several wellness accessories. Instantly relax by plunging your feet in this **heated jacuzzi**. You can then enjoy a **pedicure treatment** using the brush and the pumice stone, followed by a massage with the massage head and rollers, and an acupressure massage to relieve the **tension in your feet**.

Pedicure accessories

## A hot foot bath

Heat & Fold Spa is equipped with a powerful **water heating system** that allows you to enjoy your **foot balneotherapy** treatment without worrying that the water will get cold. The water heating system heats up the water to about 40 degrees Celsius, the ideal temperature for a relaxing **foot spa**.

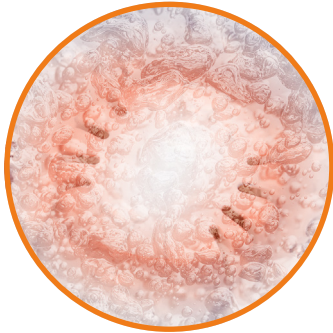

## A very practical foldable massage device

The Heat & Spa **foot spa** boasts an innovative design: after use, let it dry, fold it quickly and easily, and store it anywhere, even under your furniture. You'll be amazed at **how compact it is**. After all, even if you live in the smallest of spaces, you deserve a **relaxing foot spa**.
