WHY IS IT IMPORTANT TO PROPERLY TAKE CARE OF YOUR NAILS ?

Your hands are one of the first things people see. Their appearance more often than not shows how important taking care of them is for us. It's therefore important to take care of them and have beautiful nails before any manicures and pedicures.

HOW USEFUL IS THE MY NAILS MANICURE AND PEDICURE KIT?

Essential to caring for your hands and feet, the My Nails manicure and pedicure kit contains all the attachments you need for the perfect manicure and pedicure. You can **polish, shape, file, clean** and **buff** your nails as though they have been treated professionally.

Polishing the surface of your nails will remove calluses and dead skin. You will then be able to **shape** and **file** your nails, giving them a harmonious shape and softening their surface area while **cleaning** them. Finally, you'll be able to take care of the cuticles by removing rough skin. Your nails will look **shinier**.

The My Nails kit will enable you to take care of both your **hands** and your **feet**. In fact, with the various accessories it contains, you'll have the time to remove any rough skin on your feet.

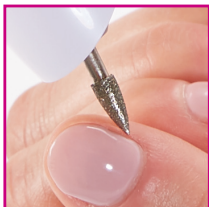

5 interchangeable accessories

1. Polishing

2. Shaping

3. Cleaning

My Nails is totally **silent** and does not emit **any vibration**

An **LED light** is fully integrated, providing maximum visibility during your session. This will provide optimum comfort when you're using it.

Since the device is **portable** and **compact**, you can easily take it with you anywhere by slipping it into your handbag. In addition, My Nails is totally silent and does not emit any vibration

PORTABLE

Did you know?

Before starting your manicure, rest your nails in warm water to which you've added a little lemon juice. The warm water will soften your nails, thus making the manicure easier and the whitening properties of the lemon juice will remove any yellow staining on your nails. Dry your nails and you can start!
