A warming and comforting blanket

Looking for comforting warmth during the cooler evenings?

In the bedroom or living room, opt for the **Cocoon Plaid**.

This heating over-blanket envelops you in a cocoon of heat while allowing you to save on heating.

No need to heat an entire room: choose from the **9 heat intensities** of your Cocoon Plaid to create a comforting cocoon.

Wrap yourself in a heat cloud, alone or as a couple, thanks to its **XL format (160x120 cm)**.

An ultra-soft faux-fur texture

Cocoon Plaid warms not only thanks to its **heating function**, but also thanks to its **ultra-soft texture**.

Its irresistible touch will make you want to stay there all evening.

This **lint-free** over-blanket also has the advantage of being **machine washable** at 30° without altering its incredible texture.

An extra touch

On your sofa or in your bed, the **Cocoon Plaid** adds a **silky touch** to your interior.

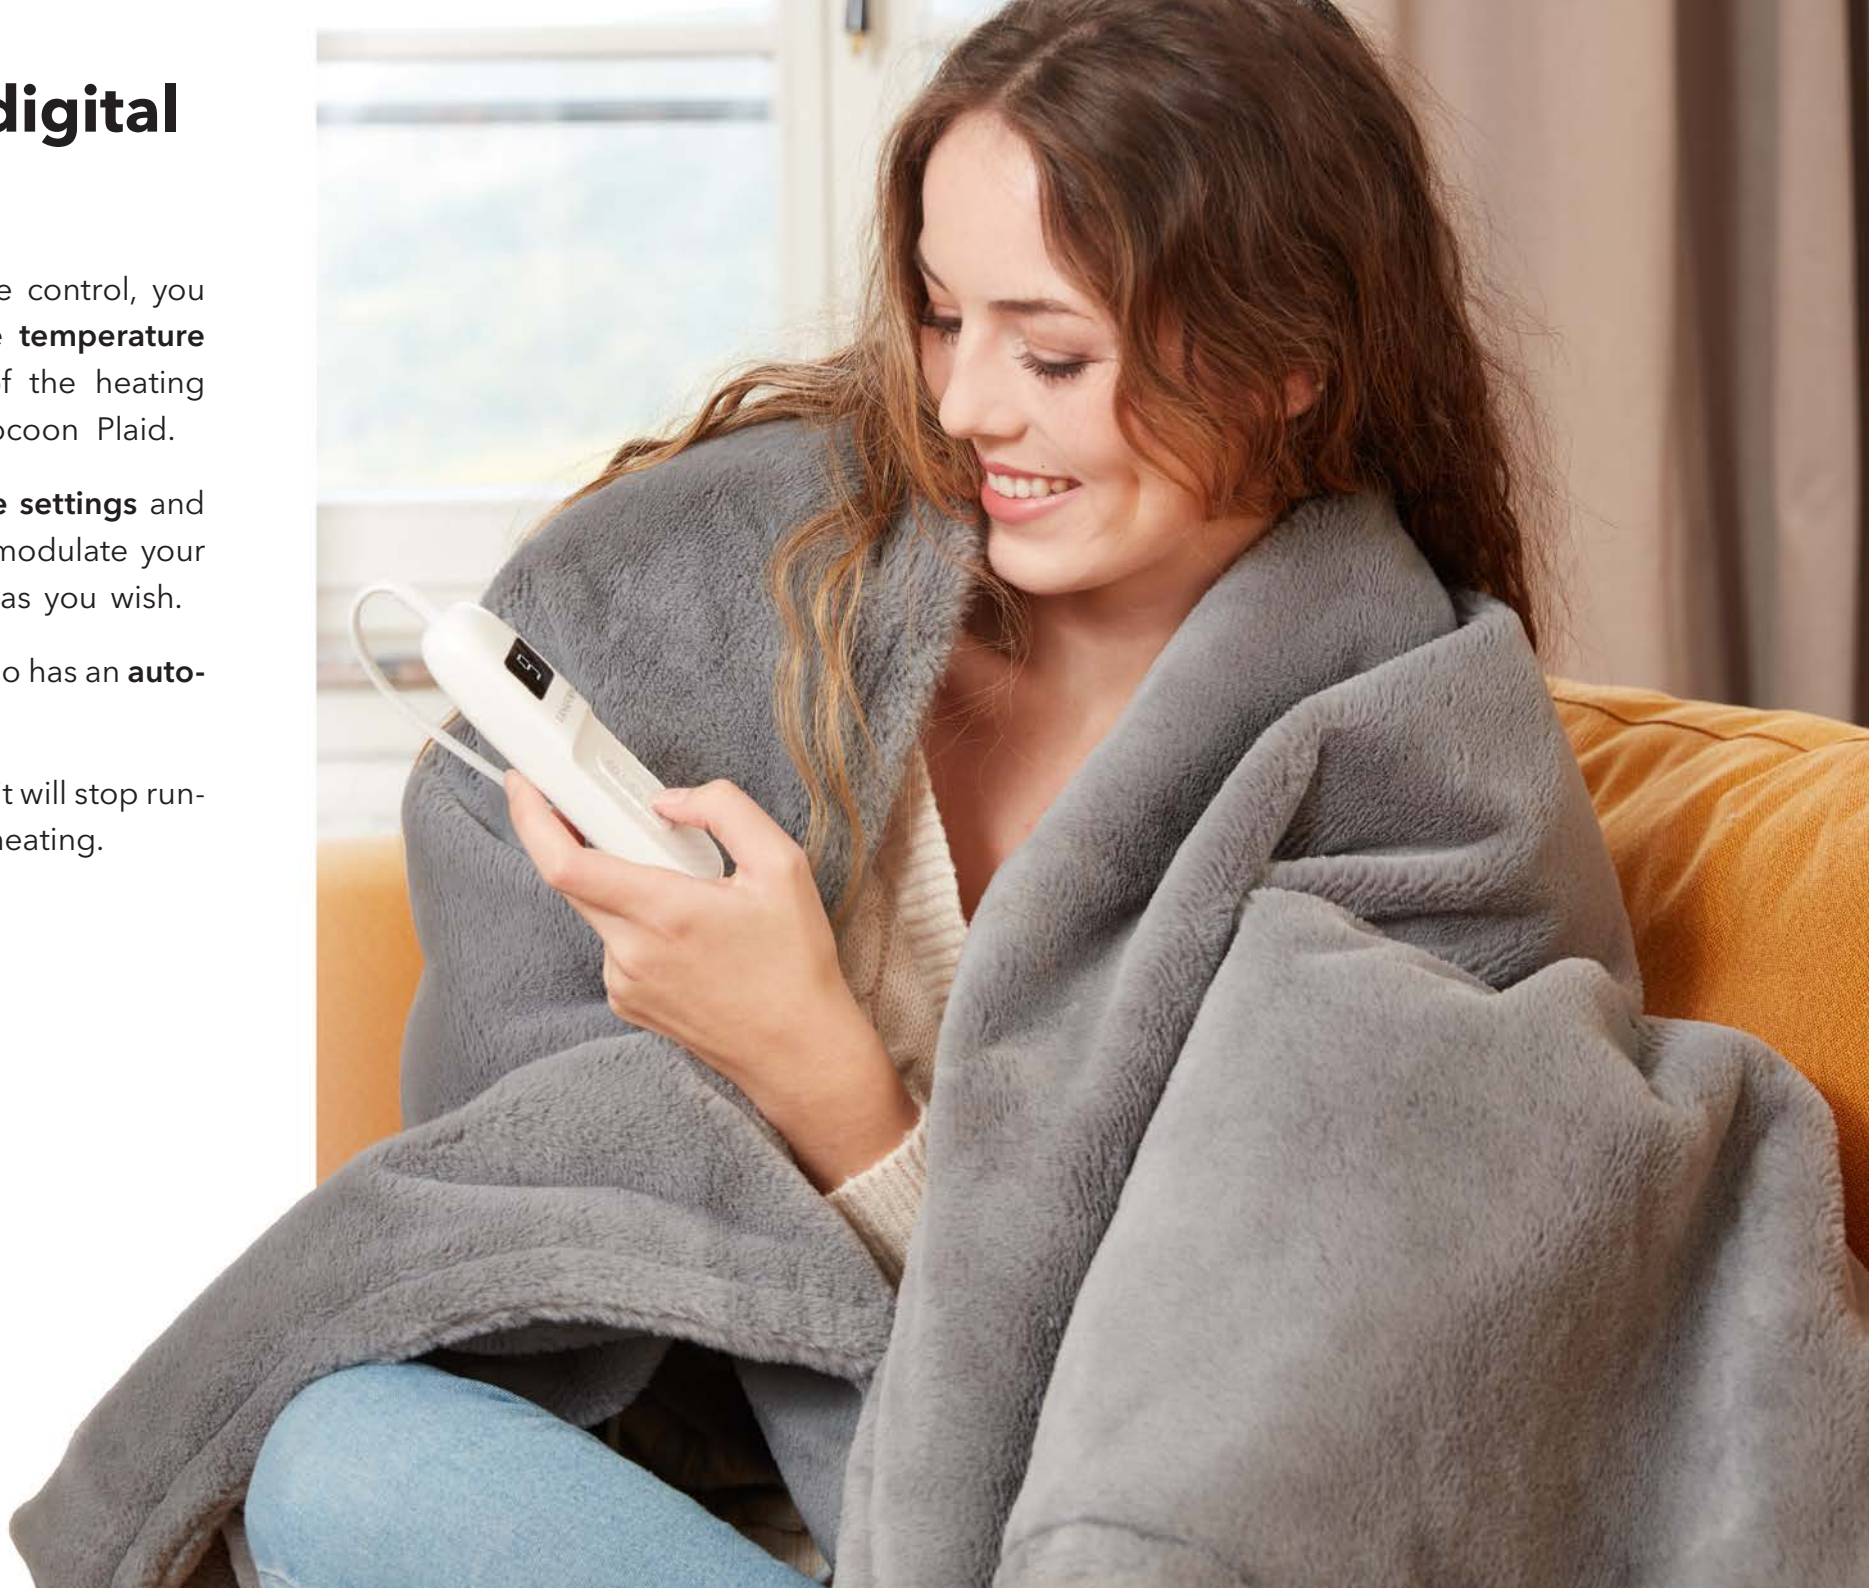

Modular digital control

Thanks to its remote control, you can adjust both the **temperature** and the **duration** of the heating function of your Cocoon Plaid.

It has **9 temperature settings** and **6 time settings**, to modulate your well-being moment as you wish.

The Cocoon Plaid also has an **automatic stop function**.

After 6 hours of use, it will stop running to prevent overheating.
