Treat yourself to a true Shiatsu massage experience at home

Why miss out on a **moment of relaxation** when you can turn any seat into a wellness space? The Lanaform heated Shiatsu massage seat cover reproduces the movements of a **professional masseur to effectively relieve back tension**. It invites **deep relaxation** after a long day while fitting seamlessly into your daily routine.

Soft gel massage heads for unmatched comfort

The seat cover is equipped with **4 rotating soft gel massage heads**, a Lanaform exclusive. Softer than traditional rigid heads, they naturally adapt to the shape of your back to provide a **more comfortable, more realistic massage that respects the body**. The result is a soothing, enveloping sensation, ideal even for sensitive users.

Simple, intuitive use for everyone

No complicated settings required: **a single control button** allows you to manage all functions effortlessly. With one touch, you start your massage session and enjoy instant relaxation with no effort.

Two massage intensities to suit your needs

Looking for an invigorating massage (●) or a more relaxing one (●)? With **2 intensity levels**, you can easily adjust the massage to suit your current needs. Whether to relieve built-up tension or simply unwind, the seat cover adapts to your pace.

Targeted heat for deep muscle relaxation

Need to release lower back tension? **The integrated heating zone in the lumbar area** diffuses gentle, soothing warmth. It promotes muscle relaxation, enhances the feeling of well-being and boosts the effectiveness of the massage for even deeper relaxation.

Safety designed for your peace of mind

Because your well-being also means safety, the seat cover features **overheat protection** and **an automatic shut-off after 15 minutes**. Enjoy your massage session with complete peace of mind, without worrying about time.

Perfect stability on all your seats

Thanks to its **practical fastening straps**, the seat cover stays perfectly in place during use. It easily adapts to different supports: chairs, armchairs or office chairs, ensuring optimal comfort at home or at work.

Extra-slim, lightweight design for easy transport

Discreet and elegant, the Lanaform seat cover stands out with **its extra-slim and lightweight design**. Easy to install, store and carry, it goes with you everywhere. Its soft, **durable "sofa-style" fabric covering** is also **easy to maintain**.
